

THINK GERMANY

NOW THINK AGAIN

Think Germany and you might picture a means of transport so beloved by many.
Think again and picture a high speed train taking you quickly and in comfort on your journey across the country.

THINK GERMANY

NOW THINK AGAIN

Think Germany and you might picture the imposing sight of our national goalkeeper ready for action. Now think again and picture the warm reception that awaits you when you visit Germany. From the charming rural inn to the grandest city hotel.

THINK GERMANY

NOW THINK AGAIN

Think Germany and you might picture a cuckoo clock, one of our better known inventions. Now think again and picture an MP3 player, a modern technology also invented in Germany, and now providing musical delights to millions.

THINK GERMANY

NOW THINK AGAIN

Think Germany and you might picture the painted faces of passionate football fans. Now think again and picture the revellers at one of the many Carnivals held in communities across Germany in springtime every year.

NOW THINK AGAIN

Think Germany and you might picture the household appliances which you associate with the best in quality, reliability and design.

Now think again and picture cutting edge fashions, the scent of fine perfume and designer shopping at bargain prices.

THINK GERMANY

NOW THINK AGAIN

Think Germany and you might picture fantastic football stadiums?

Now think again and picture the unspoiled sandy beaches of our Baltic coast where you could relax on a typical wicker beach chair.
